EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In section 0048, line 5, the term "network 102" has been changed to "network 101" to be consistent with the corresponding figure.

Allowable Subject Matter

2. Claims 1-64 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 17 and 23, the limitation, "generating the external correlation key value based on the internal correlation key value and sending the alarm message and external correlation key value to an external system for use in correlating alarms," in combination with the other limitations of the claim was not found in any prior art.

Regarding claim 22, the limitation, "means for generating the external correlation key value based on the internal correlation key value and means for sending the alarm message and the external correlation key value to an external system for use in
